

NB Racing Announces New Sponsors and 2014-2015 Season Schedule

Detroit Lakes, MN, USA - Wednesday, September 17 - NB Racing would like to welcome The Gates Corporation - G Force Drive Belts to the Team! Gates products redefine recreational performance. Gates' innovative product solutions provide industry-leading performance standards. Whether Snowmobile riding in extreme conditions, Snowmobile racing at top speeds or biking off-road - Gates recreational products help to push the limits and powering progress. "We are really excited to have Gates as a new partner this year. In snowmobile racing clutch calibration and especially the drive belt means everything. We can't wait to put Gates G-Force Belts to the test this season!" says Andy Nordine.

In addition to welcoming Gates to the great family of sponsors; NB Racing would like to announce their 2015 Racing Schedule. Andy Nordine will continue campaigning the Formula 500 Ice Oval snowmobile throughout the Midwest. Nick Butze is after some more adventure, by taking on the USXC I-500 Winnipeg to Willmar Point to Point Cross Country Race in the Expert 85 Class. "I am really excited to start testing and riding the new cross country sleds" says Nick Butze.

NB Racing will be campaigning a 2015 ZR 4000 RR in the USXC Series in addition to keeping up his involvement in Pro Sprint Ice Oval Racing. Team Owner Kevin Nagel commented "It's all a process, we started a serious ice oval effort 4 years ago and now with all of the excitement in the return of the Winnipeg we are placing a serious effort in Cross Country Racing." It is going to be an exciting season of competition and NB Racing hopes to see you all at the races! Stay tuned for more news from NB Racing soon!
